“ *Deepest sympathy to Tesie and the family of Lefty. We were just told about his passing and regret being unable to pay our respect in person. Our prayers will be sent for Lefty. He was a great man. I enjoyed having known him and sharing time with him at ISDA meetings and functions. He was a loyal member of the Forest Hills ISDA where he was loved and respected by our members. I will personally miss his gentle smile and will hold his memory in my heart forever.*

“ *Lefty was always very kind to me and very good to my sons, his grandsons. He and Matt enjoyed talking together about WWII - Lefty, a member of WWII army and Matt, a history buff of WWII. He will be missed. After a long life on this earth, may he Rest In Peace now in heaven with his other family members who passed before him. Praying that his children and grandchildren and other family members find comfort in their good memories of him. RIP Lefty.*

“ My condolences to Felix's family. I am sure he will be missed, but never forgotten.

*I first met Mr. Marcello when I was in the seventh grade. We went to Oliver High School one day a week for O.V.T. We did some wood, metalworking and electricity.(I also had his wife Lois) About ten years later, I met "Phil" again when I too was an industrial arts teacher at Taylor Allderdice High School. He was well liked by staff and students.alike.*

*We re-connected about fifteen years ago when he called me. May he rest in peace and his memory live on forever.*
