“ There were the hard times and rough rides that bond Brothers with braids of steel. The good rides were icing on the cake. Life in the PMC. It was an honor to be there with you my friend. You were one of a kind.

“ My dearest Sally. We at Fayette City send our deepest condolences to you and your family. Jester was a longtime brother and friend of mine dating back to the Tribe. He was always there to calm me, advise me and help me as my Sportster Doctor. We shared so many great memories that I will forever cherish. I await the day he and I ride again in heaven, of course on our old sportsters, for ever.
