“ *We moved in next door to Guy in 2006 with a newborn baby girl. From the day we moved in, he always made sure to walk over and check in on us. After having 3 children, he never missed a Christmas or Birthday and would often give each kid a card and some advice! He admired how hard we worked on our home and always made sure to let us know that. They don't make people like Guy anymore, and we were very blessed to be his neighbor and friend. He will be missed, and our home will never be the same without him next door. Much love, The Sciuillo Family*
