“ *It's been too many years...more than needs to counted here. Iggy was my friend throughout our time at Clarion and and after we graduated. I use friend in every definition of the word. I moved South and the contact was severed. Distance is hard on friends. it does not help those of us who get caught up in our own lives and neglect keeping in contact. Now I cry because he's gone.*

But I hope and pray he is in a good place and remembers me as I have always remembered him. Mary Jo, I was in your wedding and was honored to have had that invitation. I remember the day and night of that wonderful event. I remember Iggy as so much fun and so fun loving. He was a big man who lived big and I'm sure lived life big. He did favors for his friends without being asked and needed nothing in return. I am saddened by his lose and wish his friends and love ones the very best in a difficult time.

Iggy, I remember you in those red and black Gamma jackets we had. That's the way I want to picture you. God bless you and all those who know you and love you.

“ I send my sympathy to George's sister Mary on the loss of her big brother. She has spoken of him often. She knew he loved her very much and she could rely on him for comfort and support. She tells me he was also a great teacher and lots of fun to be with. I know he will be missed. I send prayers for the repose of his soul.
