“ *Gilbert*

Today I wanted to pay my respects, see your face one last time, & say a quiet "goodbye". Sadly, I arrived too early & needed to report to work. However, your smiling face will last in my mind & your kind words will stay in my heart as I fondly remember our last words we spoke to each other as you picked up your mail at my Post Office. I will sincerely miss your warm spirit and the chats we exchanged. Many times you were the bright spot to a challenging day. You were always nothing but a kind and gentle soul. Bless your soul.

“ *My fondest memory of Uncle Gil was when I was a child, 35 years ago, Uncle Gil and my Dad, Gary, playing poker at Uncle Gil's house smoking cigars and laughing. Also, the great meals and good times at Cheat Lake. Thank you for all the great childhood memories Uncle Gil! Your smile and humor was always warming!*
