“ My thoughts and prayers are with Marty, Wendy Jason and family. Ed once said to me that some friends you can go without seeing for years but when you get together it's like you saw them yesterday. Ed was that kind of friend. I will miss my best friend since 5th grade. Dude, you were one of a kind.

“ *Very sorry to hear this sad news about Glenn (Ed) he was a great and funny person to hang with over the years. From all the family picnics and adventures at the farm in Schellsburg to the many memories from working on the road for Westinghouse/Siemens. Glenn was a great winder with an even greater sense of humor. He always brought levity to the most F'ked up situations. In later years we hung out together at the Penn Hall office and again it was serious business always mixed with laughter at how things went down.*

*Rest in Peace Cous'*

*Condolences to Marty, Jason, Wendy and all the family for the loss of a one of a kind person.*

“ *We became friends when I worked at Jim Dandy Diner. I do recall that he loved that Purple Mustang and drove it with great relish and speed. He and Marty made a great life together and he will be missed. We often golfed together and he made me laugh so much that my game suffered. You are now at peace.*
