“ Mrs. Frasca will never be forgotten by our family. My daughter had her in first grade at Pa. Avenue and I was impressed from the first day I met her. Her kind and caring nature led her to "mother" every of her students and I am sure those lucky enough to have her walked away a better child and later adult in their lives. She touched so many people in many different ways. Any time you saw her out she made you feel special and as if she had all the time in the world for you. I am sure my daughter Amber has used her influence in many ways in her own first grade classroom as she too also thought the world of her. Mrs. Frasca was one of the finest persons I have ever met and I am happy our paths crossed in this world. God Bless her and keep her memory alive forever.

“ Mrs. Frasca was my first grade teacher at Pennsylvania Avenue Elementary. To this day I still remember her as my favorite teacher. She was kind, loving, and caring. I would see her out and about all the time and she still remembered me and we always stopped to talk. She was my inspiration to go into the field of education and I am going on my 14th year of teaching. I can only hope I make my first graders feel as loved as she made her students feel. She will be missed greatly. Heaven has gained another angel.

“ Mrs. Frasca was my second grade teacher at Westmoreland City. I loved her. I tell my children that she was my favorite teacher and I taught them the "Good Morning" song we sang everyday in her class. I still have the Christmas ornament dated 1974 that she made for me and I think about her when I put it on the tree. Mrs. Frasca was a wonderful person and I will never forget her.

“ I am so sorry to hear that Hennie passed away. She was a kind and wonderful person. She and my mom, Lena, were very good friends. Before my mom got sick, they would go out to lunch all the time and then talk on the phone for hours. My daughter and I would go with them when we were there visiting. My thoughts and prayers are with you, her family. She will be greatly missed.
