“ Harry always brought a smile and enthusiasm everywhere he went including church, library, oldies concerts and all sporting events: boys and girls, local and beyond, high school, college and pro. He was the biggest fan of the Norwin girl's basketball team following them through season and playoffs. May these and other fond memories give comfort to Harry's family and friends.

“ Karen, You and your family have our deepest sympathy. Living out in Penn Trafford, we would always see Teddy and Harry at all the games. They and your family were always so nice through all the years. David & Sandy (Hayes)Good
