*“ We have had the pleasure of knowing Harry and his family for over 50 years. We spent many years enjoying his company as part of the Lively Loafers Camping Club. Laughter has filled our home and campsites many times watching old camping movies of Harry carrying his beloved schnauzer and always wearing his red shirt! The Loughners were most influential in our spending our winters in Florida. Harry will always be remembered in our hearts as a loving husband and father, a kind, helpful and quiet good friend. He will be greatly missed!
