“ *She won tickets on a radio station and it was my favorite group, Journey and she took me. Def Leppard was the other group . We had an amazing time. Free food, free parking , great seats outside, and a few other surprises the people in front of us shared with us. One of those memories you will always hold dear. She knew I loved Journey! I will miss her. RIP Heather*

“ *Nothing beats when we were little and make 3 bags of popcorn and I can remember Heather saying how she loved popcorn and could eat it all day everyday. She was a kind hearted person and she will never be forgotten. My thoughts go out to all her friends and family in grievance.*
