“ I wanted to share another memory of Aunt Ida. I didn't drink coffee very often but when I went to her house I did. It always tastes so good. I found out why later on in life that is was perked in the stove.

“ Ida was not only a wonderful mother-in-law she was also my wonderful and caring Aunt. My Stepfather Terry Morningstar was her brother-in-law through marriage. I remember her always sharing stories with us as well as sharing a cup of coffee which was always made. It has been a long time since I have seen her since moving to the Upper Peninsula of Michigan about six years ago. My husband was called by the Lord to pastor two churches here in this beautiful part of the country but I miss seeing family and friends in Pennsylvania. Even though we cannot be there at this time, we are praying for the whole family and we offer our condolences. God Bless everyone, Love Debbie (Wenning) Herr

“ *Most of my memories of Ida were before I became a man. She was one of the sweetest women I've ever known. She treated me as part of the family which I kind of was with Mark and myself always being over there to see her son, Gary. Our families were always very close.*

“ *She is going to be sorely missed. She was the only person who could give my hair a perm and it was good. She loved her old fashioned clothes washers. We always went to her house on Christmas Eve and always had a nice visit with everyone. I loved her Chex Mix snacks and getting Charles Chips at her house.*
