“ *God has a way to deliver messages to us to help us remember we are never alone in our sadness. I rarely read the paper and only get the weekend paper. God certainly led me to read of your mom's death. I know how difficult this time is and my prayers for your comfort and peace are with you all. I never forgot how your mom brought you Donna to my mom's funeral. It was the support I needed ad still draw on all my life. She always made me feel welcome and accepted. My sympathies to your family. Take comfort knowing she will always be in your heart. Donna Yacobucci Knepper*
