“ Jackie was poised, intelligent and one of the nicest girls I met at St. Joes. We hadn't talked in years it was a few months ago when we reconnected. She described her battle but even through face book I could feel the hope and optimism in her message. My prayers are with Jackies family and friends.

“ Jackie, you were always one of the sweetest girls I knew. We had a lot of fun as kids, both in the neighborhood and at St. Joe's. I was really sad when you moved away, and I still remember the beautiful letter you sent me after my brother died. I'm glad we reconnected a few years ago; I wish we had spent more time together these last few years. You will certainly be missed by many!
