“ Jim had asked me to go kayaking with him last spring when we got home from Florida. I only got to go with Jim and his group of kayakers one time .I will never forget that trip I was amazed at his ability at his age 15 yr my senior. My wife and I meet Jim thru church . We will remember Jim as a good man who will be missed by all that knew him.

“ Sorry to hear about Jim's passing. When our family was growing up across the street on Glenview the Withrow's were one of nicest families on the street. Always generous to our family. When Jim retired that's when he seemed to enjoy life. Always seeing the kayak on the roof of the car and away he went, what a bundle of energy. Although he moved away from Glenview he will always be remembered from the folks still here. To Barbara, Diane, and David you were blessed with a great dad, may he rest in peace.

“ *Jim Withrow was and still is the most amazing man I have ever met. He met and married my best friend Dee ten years ago and then he entered my life. From day one this man has made an impact on my life and that of my son's David. I can't think of enough adjectives to describe Jim. He lived life to the fullest, had a ton of fun, loved to dance, bike riding, skiing, kayaking and much more plus he grills a mean burger!!! Every time Dee entered a room his eyes lit up, there was a lot of love going on with them two. We are all left with many memories of how this sweet and gentle man has touched our lives and our hearts. Now we must all come together and celebrate his life. Rest in peace Jim.*
