

Janet L. Williams

April 13, 1940 - January 23, 2025

On January 23, 2025, our Lord brought home one of his greatest workers, Janet Williams, born 4-13-1940, who was originally from Johnstown, Pa. then for over 50 years lived in North Versailles, and finally passing at Redstone in Irwin, Pa.

Janet and her deceased husband Don (2017) were the most dedicated, hardest working, loyal people, that never accepted a penny for all of their work for their neighborhood, and friends. They cultivated their own yard, their gorgeous flowers, and their shrubs into an unmatched heavenly beauty.

Janet was the Director of Religious Education at St. Roberts. However one of Jan and Don's greatest joys was working with the wonderful folks at Meals on Wheels in North Versailles.

Janet and Don are finally back together again, to continue with giving and caring for all.

There will be no viewing at Janet's request. Memorial Donations may be made to Meals on Wheels of North Versailles, Pa.

“ Janet was an important person in our family particularly when I was in my single digit and early teen years. My mom taught with Janet at St Denis school. My grandmother sort of adopted Janet. She lived in my Grandmothers house for some years after my Grandmother came to live with us. She would also take care of our dog when we were away. Our dog may have come to love Janet more than the rest of us. About thirty years after this when my Grandmother passed away, Janet made it a point to come to the service and gave possibly the best tribute of the day. Regrettably due to a mix up at the facility where Janet was living, we were not notified of her passing and only found out now when we reached out to check on her. She was a kind, warm person and I am glad to have known her.

“ Janet was the Director of Religious Education at St. Robert's. She worked at the parish at the same time as my father. She was neither a teacher nor a principal at SRB. She fulfilled those duties at St. Denis School in Versailles Borough. May she rest in peace!
