“ I was sorry to learn of your loss. Jeff worked for me Medco in Customer Service. I admire the young man who never left his disability hold him back. He was always respected for his courage and stamina pushing through every day. He talked about his family and his pet at the time and of course sports. Prayers for your family and friends. “ I remember when I was a kid and Jeff was only a couple of years old and my family was visiting Aunt Barb and Uncle Fred. Jeff had a rideable batman car and I was pushing him around on it in the living and dining room floor. He was laughing and having a great time as was I. I wish we had been able to spend more time together, but having thousands of miles between us kept that from happening. Rest in peace my cousin.
