“ You were a great guy Jerry. You were my personal favorite driver and many others, always lightening the mood for the day. I will cherish the many long conversations we had and the memories we shared on many jobsites. I was 12 years old when I met you for the first time pouring concrete, that was now 15 years ago. You helped me a lot by talking to me about my late dad and the memories you had with him from concrete. We are all going to miss you buddy. Prayers to the family. Rest in heaven.

“ Many fun memories start with "hold this for me..." for Jerry Lee as well as most of the Sheraden Terrace Boys of our era. We have lots of memories and many included him. We are not likely to forget our brother anytime soon and I'm sure he will be waiting for us when our days are done. God Bless Boo and all he has left behind. Sam
