“ Judy and family,

My deepest sympathy in the loss of your precious Jerry. I am honored to have spent special time with Jerry over the last several months and know how much he loved each and every one of you. His family was his everything and I saw the light of love in those beautiful blue eyes when he spoke of you or saw you come into the room. Jerry was a man of few words but his heart was as big as they come for his family and friends. He was so grateful for everyone in his life.

I am honored that you all allowed me to be a part of Jerry's journey. It was such a pleasure to make those visits and share some very special talks with Jerry. He wished he could have been more involved with the family and still wanted to see the lake again but his body had other plans. Know that he will be watching over all of you from his place in heaven and will send you signs that he is still with you if you watch closely. It may be a gentle touch or a beautiful feather or something that only the two of you would understand.

Thank you Jenny for helping to coordinate my visits and for being the beautiful angel that you are.

May God bless each and every one of you and comfort you during this time of loss.

*With my love,
Linda Yarbrough
