“ *Don't forget about her real grandchildren.. Mackenzie, Jakob and Kortney. They were left out of the obituary.*

Sad we weren't mentioned in the obituary. It's like we never existed.

Mackenzie Krydick - April 29, 2022 at 09:43 PM

Amazing that she left this life without saying by to her daughter and grandchildren. WHO DOES THAT ?

“ *Joanne and I had similar first names and Apt. numbers. She would sometimes get my mail and mine to her. Only had couple encounters, but I was considering having her as a friend. She seemed to be a nice person. To her family, sorry for your loss 🙏*

“ Heartfelt condolences to JoAnne's loved ones. From 4th grade at Circleville School, through graduation from N. Huntingdon H.S., we were best friends. Jo had a delightful personality, always upbeat, and a force to be reckoned with when behind the wheel of her blue Nash. I'm so glad we were able to reconnect at our 60th class reunion. God bless and keep you,
