“ *My sympathy to Susie and the family. I remember Jay, his dad, and brother Bill as far back as Little League. And he was a great classmate throughout our school years at Norwin. Jay was a gentle, but tenacious giant of a man. He was one of our super athletes, lettering in football and basketball. I was privileged to be a basketball manager on the team that went to state finals in 1963. So, a classmate of both Jay and Susie. We all bear a portion of that sorrow of his passing. Bless the family.*
