“ *I was saddened to learn of Jon's passing and send my sympathies to Mary and all of his family. He was a wonderful, caring man and I remember him with great fondness. I regret that distance and the stream of life's passing moved us apart--and that is my fault for not keeping in touch. My thoughts go back to the times of childhood when we used to play ball together with our other cousins in Grandma Murcek's back yard. I remember the fun we had eating delicious cookies at holiday gatherings hosted by Aunt Olga and Aunt Kate. Later in life Jon was always so kind and selfless. On one occasion he helped Debbie and me unload a U Haul truck when we moved into a new rental in Greensburg. It was a hot, humid summer day as I recall but a lot of jokes and quips were exchanged. I loved his great humor and dry wit. He was caring and helpful to my Mom and Dad--possessing mechanical skills that I lacked--and helped them when they were older with a number of projects at their house. I know they loved him and appreciated all the he did.*

Please know that I will always hold Jon's memory dear in my heart, and I hope that such memories and love will bring comfort to his family.

With deepest sympathy,

Jon's cousin Paul Prokop, in Northern California
