“ I will miss you deeply Joe. I will cherish our trips to Seneca to gamble, and all the fun at Walmart. Such a happy time. I wish that I had seen you for a final goodbye and now I will never be able to close this time with you as my friend. Well, this is Grandma saying goodbye now.

“ Joe you will be sadly missed by all of us. I especially will miss our great phone conversations and lunch with Ginny. You are one of the best and I'm sure that God has opened his gate just for you. Wish I had the chance to have told you goodbye. Someday we'll have the chance to say hello again. Until we meet again my friend.
