“ *My deepest sympathy to the family on the loss of such a very special lady.  
I only knew Kay for a short time but in the last few months she fast became a firm friend.  
We enjoyed chats and stories and I never had a day that she did not put that smile on my face.  
It was my dearest privilege to have known her and to have called her my friend.  
She will be remembered and thought of fondly and will always continue to make me smile.  
Fly high my dearest friend, sleep easy with god X*

*We are sad at losing her, Heaven rejoices at her homecoming! She was a very special spirit here on this Earth. She was my "cousin Sister" and took such good care of me when we were little. I was told to stay close to her while we were growing up. That closeness lasted over the years. She was only 6 years old at the time - a born Mother at an early age. She will be missed.*
