“ *I knew Laura for many years but became close friends several years ago preparing for our class reunion. I will miss the phone calls and the Chinese lunches with "the Kid". Rest in peace my friend. You heartily deserve it!*

“ *My deepest sympathy to Laura Mae's family. I knew Laura Mae since we were children. Her father and mine were close friends and our families attended EMcK events and Lions Club Christmas parties together. Laura came to a couple of childhood birthday parties. I also knew Laura Mae from school. She was a wonderful person and great to talk to class dinners. She will be missed. Sending prayers.*

“ So many memories. We did so many things together. She made me feel a member of her family. She included me in many family activities. She was there when I was stuck on the computer. We exchanged birthday celebrations on hers and my days; Denny's was a usual lunch place before an afternoon movie. I learned many of the Pittsburgh back roads with her. We spent hours on the phone. She will be dearly missed. God's love and grace to all her family. Donnie, Chris, Karrie and all your families, as well as Bud's family, I am grateful to have shared her life with you. Heartfelt sympathy for your loss. Love, Suzanne Fay

“ My son passed away unexpectedly in April. She was there at his Life's Celebration Party graciously giving condolences and being such a lovely woman- and you would never know what personal battles she was fighting. I did not know her long or well but it would have been nice to spend more time with this lovely woman. May she be in peace and may all those who have gone before welcome her with loving arms!
