“ Dearest Cindy, I am so very sorry to hear of the loss of your beloved son, Loren. I don't even have words to express my sorrow for you. I worked with you many years ago at FCCY and feel that I know the heaviness of your heart being the kind person you are. Once again, you have my deepest sympathy and I shall pray not only for you and your family (I remember so well "little" Norbert), but also that God will hold Loren in the palm of his hand until you all meet again. With love and prayers, Ruth Anne

“ *I've known Loren since high school and became very close with him over the past 2 years. I've spent more time with him than anyone else in 2016 and I can say with full confidence he was one of the most caring people I've ever met.*

During a hospital stay over the summer, Loren was the only one who visited me. I didn't have to ask, he wanted to. He surprised me with my favorite food and kept me entertained the whole day and it meant so much to me.. We worked together briefly, we would pick each other up at 5 A.M, drive out to Crafton and deliver mail all day together then hung out after. He had so much life in him and taught me so much. He is the only person I've been able to be with for 16+ hours a day and be able to hold a conversation with the entire time.

He introduced me to a lot of his friends who became friends of mine, I am so thankful for that and for everything else he has done for me. I'll always love you like a brother, Loren and I'll never forget all our memories.
