“ *Dear Mike and family. We were so sorry to hear about your mother. Memories go way back to when you were kids, along with my daughter, Dawnette. Your mom was always a lot of fun and Dave and I enjoyed our time so much when we visited with all of you in AZ. So glad we made that trip and added to our memories. We are so sorry for this loss in all of your lives. Stay close to Jesus. He will help you.*

“ My memories of Loretta go back to my childhood. Our families were friends and we went to church together. Loretta was always so full of life, so spirited, it was always a party when she was part of the gathering. Always laughter, I remember when she and Jim would practice square dancing along with my parents and other couples in our basement, the laughter and sometimes the frustration lol that came up those stairs. I truly loved this precious classy dear lady and I will miss her. My love and prayers to Mike, Nicky, Riley and Colt.
