“ Saddened to read of Marcie’s (“Mouse’s”) passing. We had a heck of a run back in our Softball days and lots of trips to the Dairy Queen. We reconnected a few years back thanks to Facebook. Marcie locally sent me “bonus chips” in Slotomania every day. I had no idea she was sick. I’m quite sure she fought like heck and just hope our connection through Slotomania brought her some sort of comfort. I have all positive and found memories of Marcie. She had a killer smile and beautiful laugh. RIP Marcie, thank you for your friendship 🙏.

“ So sorry to hear about Marcie passing away. Our condolences to the family and you will be in our hearts & prayers during this difficult time for you. Hard to believe that this has happened and it seems like yesterday that we were all playing as kids in the yards going sledding down the hill or the slip n slide down the hill.

Sincerely,
Greg & Holly Johns

“ I met Marcie in junior high when we played softball on the same team. I knew her as “Mouse” and she was a a great softball player! I’m so saddened to hear that she passed but aim sure she gave cancer one heck of a fight! Rest in peace, Marcie. My thoughts and prayers are with her family and loved ones.
