“ I am deeply saddened by the news of the loss of such a wonderful women. I am honored and blessed to have known Marion. She was truly a blessing in my life. I will always have fond memories of her. Words do an injustice in explaining how much she will missed by so many. She will remain very alive in our memories. I pray that our Lord brings her family and friends peace during this sad time. I am sorry you all had to lose someone so important and special in your life.

“ So sorry for your loss. Your mother was a wonderful lady. I enjoyed my time with her while I worked at Golden Heights. I'll never forget the first time I curled her hair and how big her smile was when she saw it. After that, I tried to do her hair every so often just to see her smiling face.

“ My deepest sympathy to all of Marion's family. Will cherish wonderful table talk and how I so loved her comments. Beautiful woman, inside and out, so caring about all around her. Diane, thank you for being that special daughter that every Mom wants. We became friends and for that I'm ever so blessed. God be with all of you while he gently holds your Mom in His hands.
