“ *Mark was a Employee of mine at Overhead Door but also my dear friend. He had so much knowledge of construction and drafting that I counted on him to help me in those matters over and over. We would talk a lot about his and mine passion of classic cars. He became friends of the customers he worked with which is why he was great at what he did.*

I will miss him tremendously every day.

“ To the McGrail family, so sorry to hear of your loss. Mark was a great help to me and the Norwin Historical Society as we restored the historic Brush Creek Associated Reformed Church (BCARC) cemetery on Leger Road. Mark was instrumental in the development and upkeep of the property making it perfect for the Society's annual Memorial Day Honor Guard service held the Sunday prior to the holiday. Mark will always be remembered and honored for his dedicated service to the community. Rest in peace, Mark.
