“ *Bam I didn't get to know you very well, but I liked you immediately, and appreciated your bluntness and wry humor. I'm grateful for you being there for our Sister when I was too stubborn to extend the olive branch. Your friendship meant the world to her and she's taking this SO hard. Look in on her from time to time, she still needs you so very much. Rest peacefully Bam. After everything you've suffered, you deserve it.*
