“ I will never forget MJ either. I worked in the CVICU for 28 years. She was always the secretary that could help you out with anything!! She was a joy to work with and I have so many fond memories of her. I know she loved her family, just listening to the stories she told about them. She will be sorely missed by the CVICU family who had the privilege of working with her.

“ I will never forget MJ. She has the warmest presence and treated me like family. She was always thinking of others and never stopped giving.

I'll miss our conversations the most. MJ never refrained from expressing her honest opinions. I loved sharing memories with her. And I feel so fortunate that she could impart some of her wisdom to me.

I know she loved her family deeply and my heart goes out to them.

*MJ you were the best.
Whatever I needed you were always there to help me out.
As a CVICU nurse, as the manager of the unit or as an NP I could depend on you. The stories you shared about your kids and grandkids were always told with love and pride.
Rest in peace.*

*Dear MJ -
When I met you as a new nurse I saw someone who was kind, compassionate and one of the hardest workers I ever met. You could always bring calm & organization to any situation - no matter how chaotic. You were a special person & became a cherished friend. Find peace and love with your beloved husband & family.

*So sorry to hear about Mary Jane, I did her hair for years. Loved talking to her, she made us laugh at all her stories, we loved when she came to the shop. Always a pleasant person, she would sit there, never in a hurry to leave. You will be missed. Our condolences to the family
It was an honor to know you Mary Jane, I will always remember you as one of my favorite clients.
