“ *Steve and family,
I send my heartfelt condolences to you on the passing of Mary Ellen. She was a wonderful person. I was quite fond of her and enjoyed working with her as she served on our Advisory Board at Seton Hill for many years. I will think of her often.

“ *Please accept my sincere sympathy. I am so saddened to hear this news. My brother called me this morning as he had just read the obituary. I have so many special memories of Mary Ellen from our childhood-especially every Easter when we would don our prettiest bonnets and head to Renzie Park for our annual Easter photos. May she Rest In Peace.*

“ I was so sad to read of Mary Ellen's passing. She was a joy to work with at WCCC. I noted in the obituary that she enjoyed crocheting; when I retired from WCCC, Mary Ellen gave me a beautiful afghan. I think of her every time I use it. My sincere sympathy to your family.

“ We were devastated to hear of Mary Ellen's passing. We spent much time together when our kids were growing up. Our favorite is the time all electricity was out for some time in the Hutchinson area due to a big snow storm. All the roads were closed so nobody was working. Mary Ellen and family came down and joined our family and we had a candlelight dinner of steaks on the grill. We laughed about it for many years, and it was a special time when families bonded over simple things.

Steve, Joanna, Stephanie, and Andrew, you have our deepest sympathy for this great loss. Also condolences to Mary Ellen's sisters and the others in the family. As we live in Florida, we are sorry we were not there to celebrate Mary Ellen's life. However, we were with you all in thoughts and prayers.

May Mary Ellen Rest in Peace with no more suffering.
