“ *Mary Ann was a very thoughtful person. She would never do anything to intentionally hurt anyone. She would go to everyone’s funerals and contribute to everyone’s family or non profit in their memory. I will always remember that about her. She was just a good person.*

“ *Mary Ann was like family. I would invite her every year to come join our family for Thanksgiving dinner! Over the last several years, it was just my immediate family and Mary Ann. So only like 6 of us. One thing she always brought was dinner rolls. I always thought that was funny, because we always had stuffing and all the other 10 things associated with turkey dinner. We really needed those rolls! Lol! But she always brought apple pie for my husband too and vanilla ice cream (his favorite)! She was thoughtful in that way! (And so many other ways)! I will miss her so much!*

“ *Every year for many years, Mary Ann and I went to Shaker Woods craft show in Ohio. Sometimes just the two of us and sometimes with another friend or two. I will miss having her there. We would always laugh wondering if we saw the whole thing because it’s easy to get turned around. And every year, we would say “we’re going to come up with a better system next year”!*

“ I was saddened to hear of the passing of Mary Ann. I remember meeting her the first day she began her career at the Bettis Atomic Power Laboratory in West Mifflin PA. Mary Ann was very thoughtful and kind. She loved her dogs as a mother loves her children. We shared offices on and off for many years. During that time we became friends. We shared good times, happy times, and sad times. I will miss her friendship. I thank God He allowed our paths to cross.

“ Mary Ann was one of the kindest most generous people I ever met. She would insist on giving you money if you drove her somewhere or if you did her any kind of favor. She never forgot your birthday with a birthday card and taking you out to dinner.

“ Mary Ann was a GOOD friend. Someone that you could share very personal information with. She also was very sensitive. She got her feelings hurt more easily than some but also forgave more easily than some.

“ Mary Ann was a REALLY good cook. When she didn't have someone to cook for, she sort of stopped but I remember eating some really good food that she cooked.

“ Mary Ann believed in God and his goodness. Some may not have known that about her. Going to Christian concerts was always a big pick me up for us and so much fun!

“ Mary Ann went camping with us a few times. She loved camping. She treated her dogs like children. She held up our plans many times because she “needed to cook her dogs dinner”! She'd get them their own ice cream cones too. In fact, she left a movie once that we went to because even though it wasn't real, she felt the dog was being mistreated!

“ Not sure that this is a memory, but Mary Ann and I were close friends for over 30 years. She was a very kind hearted, generous, good person that had some sad issues. But did we EVER have fun. We laughed and loved hard. I'm heart broken over the loss of my best friend! RIP my dear friend!
