“ *Although I don't Mary's children, although we probably played the games together at the Saunders reunions while growing up) I do send my deepest sympathies to you. Last time I saw Mary was when cousin Gloria held a cousins reunion at her house. I am Bert Saunders' (Mary's uncle) granddaughter ,Ethelmae. I remember my mom Ethel often speak of Mary and Mildred . I don't remember much about Mary from when I was a child. After all 13 Saunders children made for a very big family. But I do Remember her mother Irene well whom I am sure is thrilled to have her daughter up in heaven with her now. Take care and cherish the memories you made with Mary.*

“ I have many memories of Mary. she made me shortbread cookies to take to camp.

once I got Type 2 Diabetes, she switched to Splenda and made shortbread cookies. if we had a family party,picnic or any other event ,such as the Fish fry Mary and Reese were always there. For several years Mary had all the bags packed and Reese would go to camp with me. All she ever said was He's in good hands at camp.

Thank-you Mary! George (grizzly) Adamson
