ME

“ I'll always remember the Wolk sisters and little Morgan living upstairs from me in Dormont. Though I haven't seen them in years, I've thought about them often. Meghan was truly a bright spark in this world. I remember her studying and being young, vibrant, beautiful, and friendly. Her presence in this world will be missed and I am glad to have met her on this journey called life. Om Shanti!

“ A beautiful woman inside & out! I met Megan while I was a bartender many years ago. She was truly a kind person & I enjoyed becoming friends with her. I am deeply saddened to hear of her passing & I am praying for her & her family during this time. May you rest in eternal peace Megan.

“ How beautiful you were inside and out. I will forever miss walking through the back at work in monroeville and see you sitting there. We would crack jokes and laugh. I will remember your blond hair pulled back and your little braid. Always so genuinely kind and soft spoken. You always fit in every patient that didn't have an appointment. You will never be forgotten.
