“ I have fond memories of Nick-we went from first to 12th grade together. We had a lot in common-both of Italian Heritage, both of our fathers were union leaders-we both grew up on the same side of Jeannette, Nick on Division St.-I lived on Lewis Avenue. Nick played football-One of my greatest memories was when Nick was knocked out on the field then his mother came running out on to the field- Nick was so upset by her running out there. Our lives took different paths, however, it was such a pleasure to speak to Nick on his sisters phone a few years ago. We caught up and relived that Friday night so long ago.

To Nick's family I am sorry for your loss. I hope the many memories you have will sustain you in the days ahead.

You loss a great husband, father and grand father. He told me I just want to see my daughter get married and watch my grandchildren grow up. He will be watching them in heaven. He will be greatly missed by many and may God Bless you all.
