“ We remember Patti's enthusiasm in whatever she was doing. She loved Johnny with all of her heart and was so proud of him. Patti was dedicated to her Mom and would do anything to help a friend. She will be missed by the people who knew her.

“ We are so sad at hearing of Patti's passing! My husband and son's have cut her grass over the past 15 years at least and she would always be so kind to all of them and treat them as family! She was such a happy person whenever I would speak with her on the phone! We got to be great friends over the years and she would always tell me Love You before she hung up the phone! Our deepest sympathy goes out to her family and we pray for God's Love over all of you!

“ I am so shocked and saddened to hear of Pattys passing. I worked with Patty at the Westwood Golf Club for several years and also was gifted 2 - 4 legged babies by Patty. Our Frodo and Pippin will always remind me of her. My deepest sympathies to her Mother and loved ones...

“ *In Loving Memory of Patti Brush,*

*I had the wonderful privilege to spend many hours with Patti over the last 5 Months. Between painting her home, trimming the hedges, running small errands, etc, Patti was always so grateful and caring. She decided to call me her son and was always trying to feed me. We had some great talks about life, music, movies. Most importantly to me, she always believed in my dreams and encouraged me to pursue them. As much as I will not miss her cigarettes :), I will miss her even more. We briefly touched a few times on eternal matters: She didn't seem to want to dwell on the matter much - just that she was of the Byzantine persuasion and loved the ornate churches. Whatever Patti held to, I know she was firm in it and convinced. May she rest in peace. My hope is that Patti was fully trusting in Jesus alone and that someday I will see her again. May God continue to bless and keep all those who he used Patti to bless throughout her wonderful life.*

“ *Patti, my first memory of her was at Blue Dell Swimming Pool. She looked like a movie star. I have seen her throughout the years and we have had good conversations. I am sad to hear this news. God bless her mother, son and family and siblings and all her loved ones.*
