“ *Mrs. Raynor was my JV basketball coach at Norwin head ago. She was a good coach, teacher and role model for girls at a time when sports was just beginning to blossom for women. She was a wonderful lady.*

“ *I remember "Miss Pat" from when she ran the Irwin YMCA. She was my first boss. This is the first place I ever worked. Pat trusted me and gave me a lot of confidence. I remember she let me drive her van (and it was a huge van) back and forth to the YMCA day camps. I also assisted her in the Kindergymnastic classes. Still remember our Electric Avenue warm up we did with the kids. I think of her often... and most recently because I just retired after 32 years in public education in Virginia. I thought of her on my final day of work and the years from then to now. Pat gave BIG and she had a BIG personality. I am sure she will be missed by her family and friends. She was always a strong force.*

“ *Dear Bill, Mag & Family...Our heartfelt sympathy and prayers are with each of you at this sad time. She did so much for so many without ever wanting anything in return. The Biblical verse Matthew 25:23 comes to mind when thinking of her. With Sympathy, Sandy & David Good & Family*

“ Dear Bill,

Although I cannot be with you at this time I want you to know that my heart is fill of love and wonderful memories of Patty and your family. You all were entwined with our Carradam family. Pat was a moving force for your family, for us, and for the community that surely God welcomes her into his heavenly family. Please know you will always be in my heart.

With my deepest love and sympathy,
