“ Sandy,
I just want to offer my sympathy on your father's passing. Seeing you name in the paper brought back some nice memories of Wendel Elementary school. You may not even remember me but if you would want to connect, I am on Facebook

“ *I remember when I was a young woman Pop Pop pulled me aside and told me how proud he was that I had grown up to be successful in my career and that my parents raised me to be a strong and independant woman. Those words have stuck with me and helped me when I've needed courage to tackle life's punches.*
