“ Oh our Bubbaman! If any of us had the ability to know the date the time an the second our loved ones would pass we would of been there with you. Our hearts are broken we are in so much pain trying just to process you leaving us so quickly an so early! The memories all of us have will last us a lifetime. They will make us laugh an cry. These precious memories will carry us all thru the days we have left on earth and up until we meet again. Rest in peace our BELOVED BUBBAMAN

“ You were loved by us and others Our memories of you won't be forgotten If I had one wish come true It would be for more time with you Since your journey was ended too early Know this will always cause us pain But you're forever in our heart and thoughts Until we meet again Love you and God rest your soul Steve and Bev
