“ *I grew up in tom cat hollow. Peg lived there too. I first met her when she would walk through the field above my house to her uncles. Tall slender long flowing hair. Very beautiful. If the sun was shining just right it made a beautiful glow around her. this is my memory and that is how I still think of her today. Find comfort in your most beautiful memories of her and know that she is waiting to take your hand when the time comes. All my love and prayers for all of you who lost a piece of your hearts when she was called home*

“ Although Peggy was a few years older than me, we did ride the same bus for a few years. She was beautiful lady, always very kind and considerate. To George, his family, Nancy, Danny and their families, I pray GOD will wrap his arms around the family and comfort them during this time of sorrow. GOD BLESS each and everyone in this family!!
