“ *Our heartfelt condolences to all the family and friends of Mrs. Bupp. As Lake O'Woods neighbors we know the Lady of the Lake will be truly missed come Spring. It will seem strange to look out upon the lake and not see her rowing her boat with her faded hat and white gloves on. Or as Ross mentioned in the club email, maybe we will see her spirit gliding upon the still waters. She was a true inspiration to us all. I've never known anyone that loved to fish more than she. God bless & may your warm memories guide you through this most difficult time. Jerry and Beth Hopkins*

“ Someone said to me long ago that a true friend, no matter how much you see them or how little you see them, is one with whom your relationship is exactly the same time after time in meeting, in phone conversations and in correspondence. How true that was with Peggy and I. I already feel such a void although time and distance have been factors recently. The memories are so many: I hope and pray your family remembers the stories that Peg and Walt told about their early days at Lake O Woods when there was a Hotel at the top of the Pennsylvania side of the lake where there would be entertainers traveling through and they would all gather with lots of food and, of course, the travelers would entertain. What fun they had. How they both loved the lake. When Bernie and I came to the lake in the early nineties Peg taught me to fish by finding her "hot" spot, relax on the lake and to prepare the fish for cooking. And, cook we did and had so much fun doing it. We also made our way to the restaurants in the area because both our husbands were social and loved to eat. I shall always cherish the memories we made and the endearing friendship we shared. It will be a sad June, when Peg and I usually went to dinner, drove around the lake and stopped at the cemetery to visit Walt's grave.

Without a doubt Peg Bupp was one of the most genuine, caring women I have ever met. She always gave me such good advice and counsel. You have been a very honored family to have had her as your maternal influence. Follow her life's plan and you cannot go wrong. I pray for all of you as you travel through adjusting to this major loss but her strength and the strength she and her faith have taught you will bring you through. Love you all, until we meet again.

“ I am so sorry to hear that Peggy has passed. She was my dad's bingo buddy and caring friend who I've had the pleasure of meeting. Her thoughtful ways continued, sending him cards and letters when he entered a nursing home. He thought of her as his "girlfriend." Peggy will truly be missed. My deepest sympathy to Peg's family.

“ We are so sorry to hear of Peg's death. She said in her Christmas card that she'd see us at the lake this spring God willing, and he must have decided he wanted her to be with him instead. We'll certainly miss seeing her in her boat with her formerly red, most recently pink, hat and her white gloves rowing and fishing for hours. Our deepest sympathy to Peg's family. We are in Florida and will not be able to visit, so sorry.

“ It is with a very heavy heart I write this note today, about a special woman I've had the great pleasure of becoming friends with. Peggy always had a smile on her face and love in her heart. She was a very kind lady and a great outdoors woman. She seriously was one of the top fisherwoman at Lake O Woods, she knew all the right spots to fish in and loved being out on the lake. I have pictures of her in her boat on the lake with her big floppy hat covering her from the sun and her pink tee shirt that says something along the lines of I'd rather be fishing! She was truly an inspiration to everyone who came in contact with her and a wonderful human being. Rest in Peace Peggy Bupp, the world is a sadder place without your beautiful smile. You will remain in our hearts forever. Friend and Neighbor at Lake O Woods, Marlee Lombard
