“ *A few years ago I was visiting Pete's daughter Mary and she brought me over to meet her parents. Pete took great pride in showing me all around the facility he and Ruth lived at (Concordia) He loved being active watching out for neighbors, gardening, showing me the exercise room, the maintenance workshop and the room where the residents had fun like playing on the Wii. He & Ruth were gracious hosts and I will always treasure that visit. I also remember gathering with many family members for a big dinner in the function hall there and I want to remind you all to stay close, love one another and cherish your memories of a wonderful man. Dave, Darrell, and Dan you are blessed to have had a wonderful pap-pap and my prayers go out to you all. ♡ to my best friend Mary, daughter Darlene and wife Ruth.*
