“ *Ralph had a smile that would brighten your mood when viewed. As a graduate of the North Huntingdon Police Academy he was able to return to be an actor in the scenarios. Ralph loved to surprise and make people laugh and in his debut acting scenario he was portraying a domestic. Unbeknown to the citizens that Ralph had a prosthetic leg he removed it and threw it at the student portraying the police. The laughter was loud and the citizen was mortified. It was the highlight of that program.*

*Success is measured by the number of lives that you touch before called. Ralph touched so many that God called him home, mission accomplished. Enjoy paradise my friend I will always see that smile.*
