Dear Judy.....I was sorry to hear about the passing of your Mother recently. I have so many fond memories of her and how special she made me feel when I spent time at your home in Penglyn. While attending Scull Elementary School together in 1963, I really enjoyed going to all the basketball games with your family when Steve played on the Norwin basketball team. These are memories I will never forget!! Take care, Judy, and I sure hope to see you next summer at our 50th Reunion!!

Sincerely, Janet (Javor) Iacone
