“ *Mr. Legge was a fabulous, caring loving teacher who molded the lives of many students. He inspired many of us to continue in the Graphics industry to work in many facets of Advertising and Printing from design, management, sales, ownership, and teaching the industry to others. Years after graduation we have all called for advise, to share our accomplishments with him, to simply say thank you. Sincere condolences to his family and friends with deepest sympathies. Know that Reginald Legge has touched many lives and is loved by so many that you will never know.*
