“ *Rege was truly the nicest man to work with....I worked with him during most of my entire tenure at Tile City...20 years. He often visited the office for meetings or manager training, and I visited him either when I was in the area, or to train him on a new sales register or procedure. He & his wife, Mary Ann shared the holiday parties with us, too, at the old Holiday House or at the restaurant in Penn Hills. There just aren't many like Rege, and I have very fond memories of him. I called him at the very least every two weeks for payroll information and caught up with him on his family. My husband, Bill and me send our deepest sympathies to the family and friends of Rege. Sincerely, Mary Ann Stoops*

“ *My sympathy to Ray, Rege, Ronnie, Ricky and all of your families. I lost my Dad last year and I sure do miss him. I know how hard it is- I wish you all peace. Good memories having you guys for neighbors when we were young.

“ To ALL of Rege and MaryAnns children....your father and I worked together in the NV and Grb Tile City; he hired me as a warehouse guy, but helped me into sales. He spoke of ALL of you daily, LOVED your Mom's Sunday roast beef dinners, laughed at me for telling him I was barbequing the cut of beef that MaryAnn was serving with gravy. My Dad passed away when I was 17; I hope you'll accept and understand how YOUR Dad influenced me. A FINE man, who loved his family, and was an excellent soul to work for. Peace to ALL of you- I will remember Rege fondly.
