“ *Had a lot of good times with Renee at Parentes and got to help her bring Esther's to life, but my favorite memory was how she stopped everything and saved my wedding reception by providing food when our food ran out cuz the caterer didn't bring enough food! She always took care of others and was always a pleasure to be around. I'll miss her greatly. Rest easy my friend...*

“ Her life was too short. Renee was the salt of the earth. Her energy, fun-loving spirit and kindness touched so many. During difficult times she was strong. Family was always first. Such a role model for us. Her work ethic from a young age would exhaust others. We are very sad but happy she is at peace. Pam, Bill, Sue (Andrea) Scott and Mike Rumbaugh

“ You touched so many lives during our (youthful) days at Victoria Station in profound, funny, touching, crazy, and kind ways. You brought us back together (with a little help from Lynn) many years later, and we will be forever thankful. We saw what a wonderful Mom, Sister, and Friend you were all those years ago; it was lovely to see you added Wife, Grandmother, etc. Gone from us too soon, but surely a blessing now in Heaven.

“ God bless you family. Renee was my greatest inspiration as a business person coming into Trafford new in 2015, when I bought my building. I really miss her. She inspired me to care, be hopeful , and to get involved. She encouraged me to feel welcomed and wanted. Without her I probably wouldn't have volunteered to be a vacancy chair 2016 or the heloing the county in setting up a community input Facebook group Reimaging Trafford. I have learned so much in the past few years I would have never know without her nudges and hugs. I also posted some of this there on Facebook . I would love to set up a fund or something to keep her faith and spirit going. What ever you think. Reach out when your ready.

We met as Monroevillites a ways back. I had come to Parentes over the years, and a few times when coming to the theater. But when I bought the building at 333 993, I felt the first thing to do was to see what the other business owners needed and wanted and to meet them. Renee and I connected in heart right away about bring people together and staying in connection as a town through the generations. Her FUN with working together for all, volunteer spirit needs restored and embraced in Trafford once more. She was also the president of the festival committee too. Many have asked me about the festival. Maybe someone knows who else is on that committee. Or maybe what we can do to resurrect it. I am sure as she looks down from heaven she will hope that all the hard work and encouragement she began will not be forgotten and will carry on. Let her life be an inspiration reimagined future. As we mourn for the past ,we also can celebrate for the future for her. Blessings on your new journey Renee.

We love you Renee Parente Cappetta. Shalom.

“ Renee was such an inspiration. Always running, busy, vibrant, & kind. While everyone remembers her through all of businesses, her work in other areas was tireless. Present at every community event- either running it or volunteering in it. The world was a better place having her in it. We are so profoundly sorry to hear of her passing. Our deepest condolences.
