“ *Dr. Miller will never know how much he meant to me and my whole family. The year we moved to N. Huntingdon in 1976 I knew we would have to find a reputable dentist. The year after we moved in we started going to Dr. Miller. My entire family loved him, especially me. I never did like going to dentists but Dr. Miller from the very start back in 1978 made all of us feel very comfortable and relaxed. We recently moved 2 years ago from N. Huntingdon but still came in from Butler County to get our check up from Dr. Miller. I told Dr. Miller no matter where we moved to he would always be our dentist until he retired. What a shock it was when my old neighbor telephoned me to say Dr. Miller had passed away Christmas Eve. I am still in disbelief and will never get over missing Dr. Miller taking care of me. I dread the thoughts of finding a new dentist here in Butler County. When I finally do find a new dentist I will try and relax in the dentist chair and close my eyes and imagine that Dr. Miller is still working on me and saying very softly to me, "ok, now I'm going to just look around in your mouth and check and make sure everything is looking ok, just relax your doing just fine". There will never be another Dr. Miller. He was one of a kind gentle person and we will miss him dearly.*

“ *I am so sorry for this great loss to our community. I have had Dr. Miller as my dentist, along with all my extended family, for the last 40 years. He was a kind, soft spoken, and gentle dentist making you feel you were going to visit a friend instead of the common "dreading going to the dentist". My heart is so saddened by the loss and my prayers go out to the family and wonderful staff.*
