“ Just learned of my old Irwin neighbor and friend, Rita, passing away. Condolences to Phillip and Brandi. Rita was a beautiful person inside and out. We would spend time together working at the local school or just going out dancing. Rita loved to dance. Thought of her often after our family moved to Florida, even tried to locate her but no one knew where she moved to. So sorry for your loss. 🙏

“ Rest in peace Rita. My once sister in-law. You shall never again have pain, fear, worries or earthly issues.
You are home in the arms of God. Say hello to my mom, my brothers John Mike and Phillip.
Until we meet again.
